From,
The Registrar,
Karnataka State Nursing Council,
Bengaluru.

To,
The Principals,
School / Institute of Nursing.

Sir/Madam,

It is for your kind information and necessary action that the KSNC has started approving the list of 1st year GNM students for 2019-2020 academic year. But some of the Institution have not submitted the 10th & 12th standard Original Marks cards. So the Principals hereby informed to send the **deficiency documents only by Post or Courier within 10-06-2020 to Karnataka State Diploma in Nursing Examination Board (Bangalore Medical College & Research Institute Campus, Bengaluru. Examination Hall No. 01 The Certificate verification venue)**. Failing which the concerned principals are responsible for the inconvenience caused to the students. **The details of deficiencies of the schools can be seen in the ksdneb.org website. The documents submitted by hand will be strictly rejected.**

Thank you,

The Registrar
KSNC, Bengaluru
