Sub: Providing the services of Trainee Staff Nurses and Laboratory Technicians to Kidwai Cancer Institute-reg

The Kidwai Cancer Institute is a State Autonomous Body, constituted under the provisions of the Societies Registration Act 1960. The Institute was established way back in 1973 with bed strength of 50. The Institute is administering quality treatment to cancer patients across the country. Every year around 3 lakhs cancer patients are coming to the Institute for treatment as outpatients. About 20,000 are getting treatment as inpatients. Considering the service rendered by this Institute "The Week" Magazine declared the Kidwai Cancer Institute as the No: 3 Best Hospital in the country. The services of trainee staff nurse to the Institute are very much essential in the interest of patient care. Similarly the services of Para Medical staff are very much essential in the interest of patient care.
