CIRCULAR

Sub: Genuineness of Consolidated marks cards issued to GNM students.

With reference to the above subject, this is for the information of all the schools that the format of Marks card issued from KSDNEB has been changed from August-2019 Examination. As per the New Format, the marks cards will be issued to students only after the successful completion of particular year. If a student fails in one or more subjects the marks cards will not be issued to that student until he passes all the subjects.

Furthermore, from August-2019 a new scheme of year wise Consolidate Marks card was introduced to those students who have passed prior to August-2019 examination. The students who have taken more than one attempt to pass all the subjects are eligible to apply for year wise consolidated marks card and the same will be issued to those students who have applied.

Hence, the Consolidated marks Cards issued to the students are Genuine & they are eligible to register their names in any Nursing Council.
